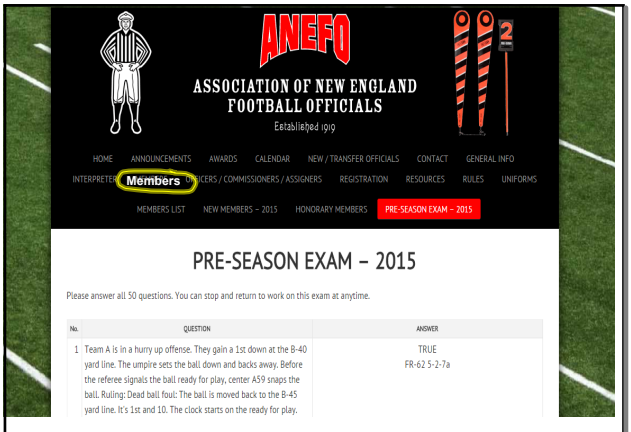
Officiating Training Video Clips

Seven plays: 9:02 - 12:45
3:45 minutes

Sep 21-10:21 AM

Are you ready for an interesting play?

Sep 13-8:19 PM



Sep 15-8:45 PM

4. During a 2 point try, A21 is illegally in motion and B77 roughs the passer. The pass is subsequently intercepted by B22 and returned across Team A's goal line. Like Gronk, B22 then spikes the ball.

Sep 15-8:45 PM

What's the call???

Turn to the officials next to you and discuss it for two minutes.

Sep 13-8:29 PM

Answer

RULING:The dead ball foul for the "spike" **must be enforced on the try** since the live ball fouls offset. The 15 yards **cannot** be enforced on the succeeding kickoff.

FR-82 8-3-5

Sep 13-8:23 PM

This ONE involves:

1. A block against an eligible receiver

2. A Penalty

Sep 2-3:06 PM

30. As the QB goes back to pass, wide receiver A99 is hit just below the waist as he runs his pattern. Because of defensive pressure, the QB is then forced to scramble and gains 5 yards.

Sep 15-8:58 PM

What's the call???

Turn to the officials next to you and discuss it for two minutes.

Sep 13-8:29 PM

Answer

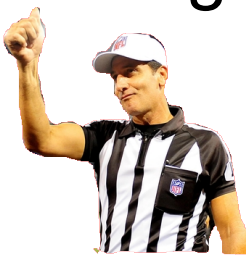
Team A did not throw a pass. The play was a run. The **basic spot** for run plays that **end beyond the line** of scrimmage is the **end-of-the-run**.

15 yds from the end of run.

FR-89 9-1-6b3

Sep 13-8:23 PM

This one involves a try and a flag!



Oct 20-9:25 AM

36. On a try A21 takes a handoff and fumbles at the 2 yard line. The ball rolls into the end zone where B55 bats the ball over the end line to prevent A48 from recovering it.

Is this is a one-point safety? Or something else?

Sep 17-9:24 AM

What's the call???

Turn to the officials next to you and discuss it for two minutes.

Sep 13-8:29 PM

Answer

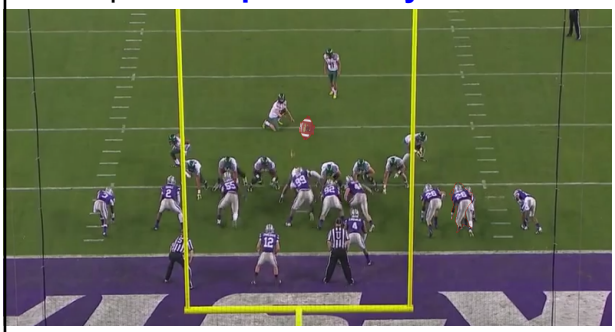
Team A put the ball into the end zone. However, Team B did a foul for batting the ball in the end zone. That foul will be enforced at the previous spot. It is **not** a 1-pt safety.

Repeat try half the distance at the 1 1/2 yard line.

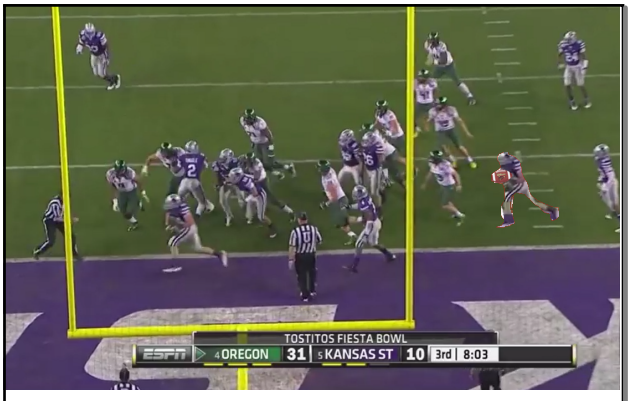
FR-98 9-4-1c; FR-85 8-7-2b1 Exception; FR-102 10-2-2c2 & 2d1b

Sep 13-8:23 PM

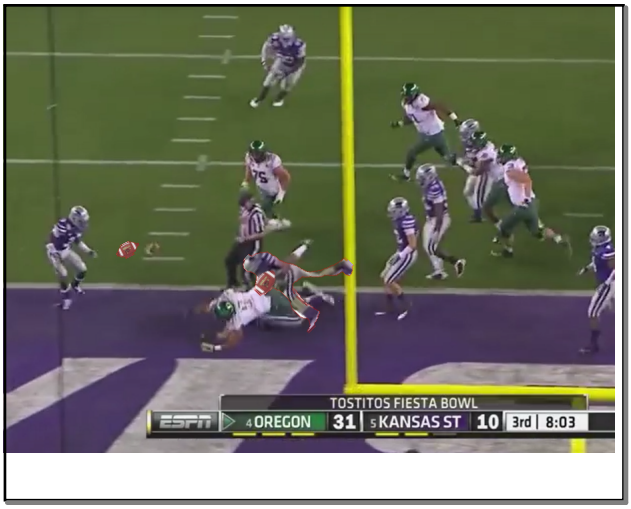
Example: **One point safety**



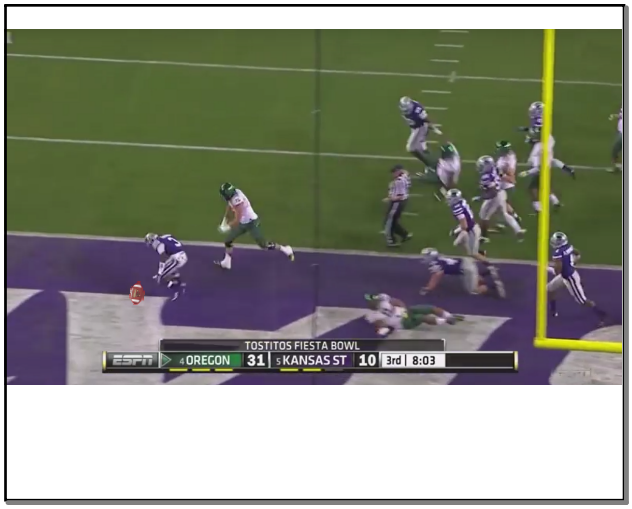
Sep 17-10:07 AM



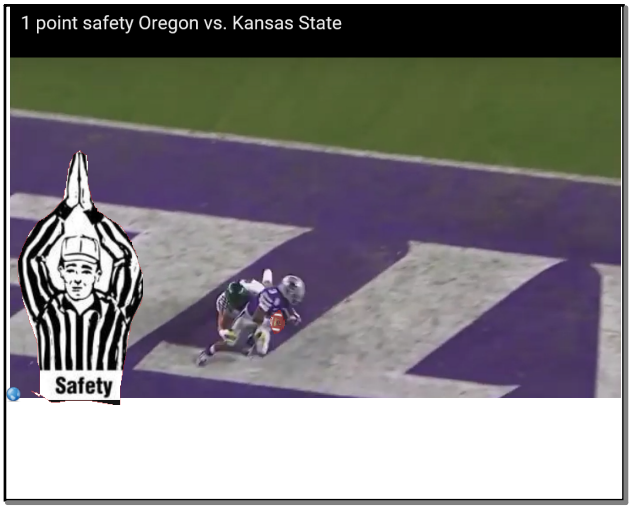
Sep 17-10:13 AM



Sep 17-10:15 AM



Sep 17-10:16 AM



Sep 17-10:17 AM

During an onside kick the ball bounces more than 10 yards, then Team A bats it forward and recovers the ball!

Oct 20-9:25 AM

Sep 20-9:23 AM

What's the call???

Turn to the officials next to you and discuss it for two minutes.

Sep 13-8:29 PM

Answer

If the officials deemed the player intentionally batted the ball forward, it would be penalty on the kicking team. Since Team B did **not** recover the ball. The ruling is:

Repeat the free kick, 10 yards from the previous spot.

In High School it would usually be at the A - 30 yard line.
