MIAA Overtime: Avon won the toss, elected offense, and did **not** score during its series. Concord's ball at 10 yd line. Concord fumbled on first down and a Avon player recovered the fumble and ran to the 50 yard line when a Concord player "tripped" the runner thereby tackling him at the 50 yard line.

Each **PERIOD** has two **SERIES**:
(one series for the home team and one series for the visting team

Sep 10-1:50 PM

69.3.2.4 If there is a change of team possession during the last play of an overtime period (second series), live ball personal fouls or live ball unsportsmanlike conduct fouls by opponents of the team last gaining possession, that occur after the change of possession, gives the team in possession the option of putting the ball in play, where the penalty leaves the ball, for one down free of penalty or penalize as a dead ball foul at the succeeding spot in the subsequent overtime period. This option is exercised only if the team last gaining possession is free of foul during the down. Example: Second Series - Team B intercepts Team A's pass and, during Team B's run back, Team A commits a personal foul. Ruling: Team B has the option of extending the overtime period for one down free of penalty, with Team B putting the ball in play where the penalty leaves the ball, provided Team B has not fouled during the down. Or Team B may choose to penalize as a dead ball foul at the succeeding spot in the subsequent overtime period. (NCAA Rules: Section 3-1-3- d, 3-1-3-e, 3-1-3-f 3-1-3-g-1)
