Sep 17-3:26 PM

What if, A89 is **airborne** and just inside the end zone when he receives a legal forward pass. There is **no contact by a defender**. A89 simply first lands **at the B-1** and is tackled there.

Oct 1-9:46 AM

Answer

Completed pass. A89 caught the pass at the B-1. Therefore - **no score**. Team A's ball at the B-1

It matters if he was contacted or not contacted in end zone!

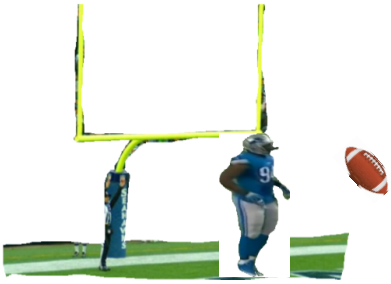
Field Goal Attempts

Sep 30-9:00 PM

Field goal attempt is **unsuccessful** if the ball passes back between the uprights and above the cross bar

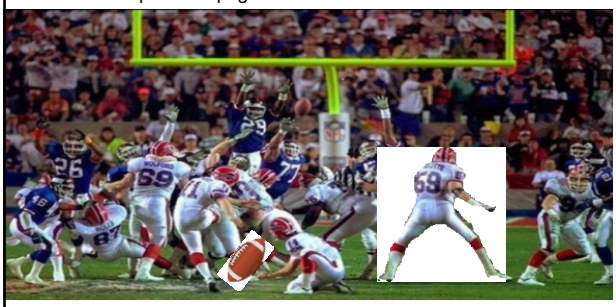
Sep 30-9:01 PM

It is **NOT** a **touchback** when an unsuccessful field goal attempt untouched by Team B strikes the ground in the end zone.



Sep 30-9:01 PM

A11's field goal attempt hits A69 in the back a) while A69 is in the backfield or b) while A69 is beyond the line.
The kick then spits the uprights.



Oct 1-10:30 AM

ANSWER

A field goal attempt is **unsuccessful** if the kick touches a player of the kicking team before the kick passes through the goal posts.
The kick is - **no good!**

Sep 17-3:26 PM

Team A's field goal attempt is about to clear the crossbar when B47 jumps and **bats the ball** to the ground in the end zone where B25 recovers it

Oct 1-3:17 PM

Answer

This is a field goal attempted touched by Team B beyond the neutral zone, so the result of the play is a **touchback**. However B47's batting the ball in the end zone is illegal and the foul is governed by post-scrimmage kick (PSK) rules, so Team B is penalized at the spot of the foul, which would leave the ball in the end zone.
Thus the penalty yields a **safety.**

NOTE: Because of PSK enforcement, Team A does not have an option to replay the down.

Oct 1-3:29 PM

On a two-point try attempt, A17 fumbles the ball and B3 recovers. During B3's run, he fumbles the ball at the B-6 and it rolls into the end zone where B22 recovers and is downed.

Oct 5-12:43 PM

Answer

Team B3's fumble put new impetus on the ball. B3 put the ball into his end zone. Once a B22 recovered and was tackled in his end zone, it is a safety. Since it was during a try, it is a **one-point safety**!
