ANSWER --> Does the clock start on the ready - cause Pentucket sepped out-of-bounds? YES

ANSWER

The clock **only** starts on the snap if Team A ball carrier is ruled out-of-bounds. Pentucket was Team B.

In that case, the Referee had better tell Amesbury he is going to **"wind"** the clock on the ready with only 0:04 seconds left in the game.

Start clock

Oct 19-6:51 PM

REMEMBER NEW RULE FROM 2016: Inside the last two minutes of the half, if the game clock is stopped to administer the penalty for a foul by the team ahead in the score, the game clock will start on the **SNAP** at the option of the offended team.

This illegal pass in the end zone **exception** allows Team B to decline the penalty and begin a new series First and 10 on the A-12. If the accept the penalty is a safety. Remember to give the captain this option!

YOU MAKE THE CALL:
Forward pass, a fumble,
two flags, another fumble
through the end zone

Sep 10-1:05 PM

Third and 5 of the A-5. A12's forward pass is caught by A88 who advances to the A-21 where he fumbles. B5 recovers the ball and advances to the A-2 where he fumbles and the ball rolls of the back of the end zone. Team A had an illegal formation. B11 committed a block in the back during B5's run.

- Fouls must offset
- Team A may accept or decline the offsetting fouls.
- Third and 5 for Team A at the A-5
- Touchback; first and 10 for Team A at the A-2
- None of the above.

The fouls need not offset because of the "clean hands" run. But, offsetting fouls is Team B's **BEST** choice. Team B got the ball with clean hands so they may accept or decline offsetting fouls. If Team B declines Team A's illegal formation, **Team A would then simply decline Team B's block in the back** and the result of the play - the touchback, would stand.
