ANSWER

If the receiver was tackled at the B-45, it would be a good catch B's ball, third and three at the B-45.

RULING: Legal Play. B64 touching makes all players eligible throughout the remainder of the down.

NOTE: Referee or Umpire give the "tipped" signal as the pass is tipped.

- a) Team A first and 10 at the B-30.
- b) Ball is returned to the spot where QB threw it backward since it went forward and out-of-bounds. Third down.
- c) Bean bag spot of the muff. Ball returned there, third down.
- d) If A15 caught the ball, then fumbled it forward out-of-bounds in would be a first down for Team A.
- e) None of the above.

- The clock starts when B6 (Somerville) touches that ball inbounds.
 - A88's touching was illegal because the ball had not gone ten yards.
