TABLE 10-4
SUMMARY OF MANY FOULS THAT CAN OCCUR DURING RUNNING PLAYS AND THEIR PENALTIES AND BASIC SPOTS UNLESS OTHERWISE SPECIFIED BY RULE

Enforcement provisions apply to all player fouls, and the committee philosophy is based on the fact that a foul is given the advantage of the distance which is gained without the assistance of a foul. All fouls are penalized from the basic spot unless otherwise specified by rule.

"You make the call". What are the penalty options?
(Think and Talk about it for two minutes)

Sep 3-6:38 AM

ANSWER

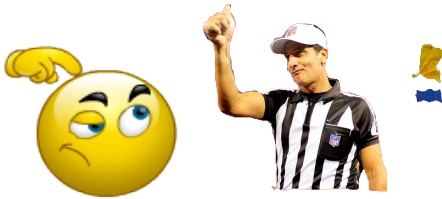

c.) Enforce the penalty on either the try or the kickoff.
 Team A's touchdown counts; 6 points for Team A.
 Team A can take the penalty **on the try** or **on the succeeding kickoff**.

The option to enforce a penalty on either the try or succeeding kickoff also applies to dead-ball fouls by either team that occur after the touchdown and before the initial ready-for-play signal on the try (8-2-5, 10-5-1f).

Sep 3-6:44 AM

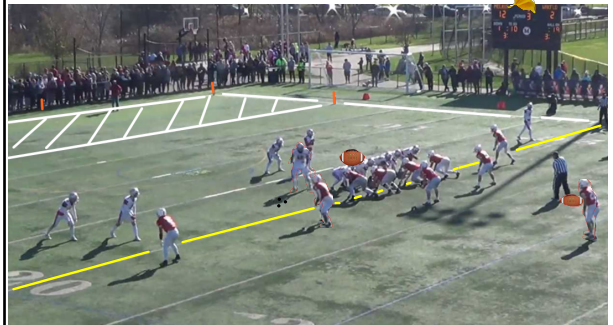

"You Make the Call" - Fouls during a play that concludes with a **TOUCHDOWN!**

Play 2.) Team A commits a holding penalty behind the line of scrimmage. Team B intercepts and scores a touchdown

Sep 3-6:19 AM

2.) Team A (White) commits a holding penalty behind the line of scrimmage. Team B (Red) intercepts and scores a touchdown

Sep 3-6:54 AM

Choices

- a.) Enforce the penalty only on the try.
- b.) Enforce the penalty only on the succeeding kickoff.
- c.) Enforce the penalty on either the try or the kickoff.
- d.) Must decline the penalty to keep the touchdown.
- e.) None of the above.

Sep 4-7:09 AM

You make the call. What are the penalty options?
(Think and Talk about it for two minutes)

Sep 3-6:38 AM

ANSWER

d.) Must decline the penalty to keep the touchdown.
 We have a change of possession on a non-kick play. Team B's touchdown counts; 6 points for Team B. Team B will **decline** the holding penalty.

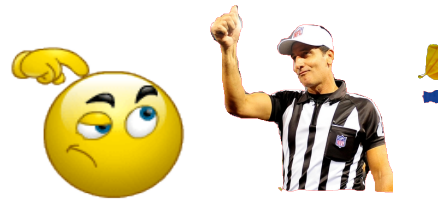

Any foul that occurs before a change of possession on a non-kick play cannot carry over (8-2-3).

EXAMPLE 11-73: Third and 10 at the A-30. A67 holds at the A-25 as A12's pass is intercepted by B23 and returned for a touchdown. **RULING:** Team B will accept the touchdown. The penalty for the hold will be declined; it cannot be enforced as it occurred before the change of possession.

Sep 3-6:44 AM

"You Make the Call" - Fouls during a play that concludes with a TOUCHDOWN!

3.) Before Team A scores a touchdown. Unfortunately, A1 gives a **taunting gesture** or does **mocking gyrations** at the B-2.

Sep 4-7:25 AM

3.) Before Team A scores a touchdown. Unfortunately, A1 gives a **taunting gesture** or does **mocking gyrations** at the B-2.

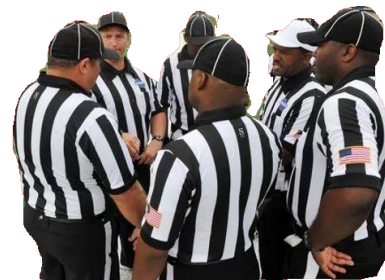

Sep 4-7:25 AM

Choices

- a.) Touchdown counts; enforce the penalty only on the try.
- b.) Touchdown counts; enforce the penalty only on the succeeding kickoff.
- c.) Touchdown counts; enforce the penalty on either the try or the kickoff.
- d.) Team B must accept the penalty to negate the touchdown; penalize Team A fifteen yards at the A-2. It will be A's ball at the A-17. Clock starts on snap.
- e.) None of the above.

Sep 4-7:09 AM

You make the call. What are the penalty options?
(Think and Talk about it for two minutes)

Sep 3-6:38 AM

ANSWER

c.) Touchdown counts; enforce the penalty on either the try or the kickoff.

Unsportsmanlike fouls, either by a player or non-player (live-ball fouls enforced as dead-ball fouls) by either team that occur during the play may also be enforced on either the try or the subsequent kickoff (10-5-1f)

EXAMPLE 11-72: A89 catches a pass and runs the last five yards to the goal line backwards while pointing his finger at the defender. **RULING:** Although the foul occurred while the ball was live, it is an unsportsmanlike foul which is penalized as a dead-ball foul. The touchdown counts and the penalty may be enforced either on the try or the succeeding kickoff.

Sep 3-6:44 AM

What if teams foul on a TRY?

Where are the penalties enforced?

Sep 5-6:25 AM

1.) On a try, guard A68 lifts up from 3-pt stance before the snap

Sep 5-6:35 AM

Choices

- a.) Enforce the penalty only on the try.
- b.) Enforce the penalty only on the succeeding kickoff.
- c.) Enforce the penalty on either the try or the kickoff.
- d.) None of the above.

Sep 5-6:41 AM

ANSWER

a.) Enforce the penalty only on the try.

The try begins when the ball is ready for play (8-3-2), thus fouls committed after the ready and before the snap on the try are enforced on the try (10-4-5b). They cannot carry over to the succeeding kickoff.

Sep 5-6:41 AM

2.) On a successful 1-pt try, B10 twists A32's facemask

Sep 5-6:35 AM

Choices

- a.) Decline the foul and keep the 1 points; penalty would not be enforced on the kickoff.
- b.) Only option is to enforce the penalty on the try and go for 2 points, if Team A needs the points.
- c.) Only option is to enforce the penalty succeeding kickoff.
- d.) Enforce the penalty on either the try or the kickoff.
- e.) None of the above.

Sep 5-6:41 AM

ANSWER

- d.) Enforce the penalty on either the try or the kickoff.

Team A has the **option** of declining the score and replaying the try after the penalty is enforced or keeping the score with the penalty enforced at the succeeding spot (kickoff).

EXAMPLE 11-77: Team K's kick try is successful. Team R (a) commits a substitution infraction, or (b) roughs the kicker. **RULING:** In both (a) and (b), Team K could elect to go for two points after Team R is penalized, **or** it could keep the point and have the penalty enforced on the kickoff or in a succeeding overtime period.

Sep 5-6:41 AM

3.) On a successful **2-pt try**, Team B fouls.

Sep 5-6:35 AM

Choices

- a.) Decline the foul and keep the 2 points.
- b.) Enforce the penalty only on the try.
- c.) Enforce the penalty only on the succeeding kickoff.
- d.) Enforce the penalty on either the try or the kickoff.
- e.) None of the above.

Sep 5-6:41 AM

ANSWER

- c.) Enforce the penalty only on the succeeding kickoff.

If Team B fouls during a successful two-point try, the option to replay the try **obviously will not be selected** and the penalty will carry over to be enforced from the succeeding spot (8-3-5b).

EXAMPLE 11-78: On a two-point try, B73 roughs quarterback A7 as he completes a touchdown pass. **RULING:** The try is successful and Team A will kick off from the opponent's 45 yard line after the 15-yard penalty is enforced.

Sep 5-6:41 AM

4.) On an **unsuccessful 1pt or 2-pt try**, Team B fouls.

Sep 5-6:35 AM

ANSWER

Simply replay the down.

If Team B fouls during an unsuccessful try, the try will be replayed (8-3-6b).

NOTE: I suppose if Team A was ahead by a large margin 36-0 in the first half, they benevolent coach could decline foul, in the interest of good sportsmanship or time, and not replay the try.

Sep 5-6:41 AM

5.) On a **successful 1pt or 2-pt try**, Team A fouls.

Sep 5-6:35 AM

Team A, **may** or **may not**, get an opportunity to **replay the down**.

Undoubtedly, Team B will accept the penalty and make Team A replay the down. **However**, if the penalty for the Team A foul includes a **loss of down** (8-3-4) any score is nullified and the **down is not replayed**. This is true whether the try is successful or unsuccessful. The penalty does not carry over.

EXAMPLE 11-79: On a try, quarterback A12 sweeps right, crosses the neutral zone, and hands the ball forward to A41 who carries the ball into the end zone for an apparent score. **RULING:** Team B will accept the penalty, nullifying the score. Since the penalty for handing the ball forward beyond the neutral zone includes loss of down, the try ends and the distance penalty is not enforced.

Sep 5-7:44 AM

The **four "loss of down"** Team A penalties that cause no replay of a try.

- Illegally handing ball forward (also loss of down)
- Illegal forward pass (by A; also loss of down)
- Intentional grounding (also loss of down)
- Illegal touching (also loss of down)

Sep 5-8:13 AM

6.) On an **unsuccessful TRY**, Team B fouls. Team A wants to replay the down but **doesn't want the yardage marched off**.

Sep 5-6:35 AM

Team A may replay the down **without** the yardage or distance **marched off**.

The distance portion of a penalty may be declined while accepting the penalty. That may occur when Team B is guilty of a foul on an unsuccessful kick. Accepting the penalty will allow a replay of the try, but unless Team A wants to attempt a two-point try, they may want to decline the distance simply **because they always practice from the three-yard line**.
